Cohen & Steers Infrastructure Fund, Inc. Declares Distribution for October 2025

New York, September 10, 2025—The Board of Directors of the Cohen & Steers Infrastructure Fund, Inc. (the “Fund”) announced today the monthly distribution for October 2025, as summarized in the charts below:

Ticker	Fund Name	Monthly Dividend
UTF	Cohen & Steers Infrastructure Fund, Inc.	\$0.155

The distribution will be made on the following schedule:

Month	Ex-Dividend/ Record Date	Payable Date
October	Oct. 2, 2025	Oct. 31, 2025

The Fund declared its monthly distribution pursuant to the Fund’s managed distribution plan. The Fund implemented a managed distribution policy in accordance with exemptive relief issued by the Securities and Exchange Commission. The policy gives the Fund greater flexibility to realize long-term capital gains throughout the year and to distribute those gains on a regular monthly basis to shareholders. Information can also be found on the Funds’ website at cohenandsteers.com. The Board of Directors of the Fund may amend, terminate or suspend the managed distribution policy at any time, which could have an adverse effect on the market price of the Fund’s shares.

Distributions of the Fund’s investment in real estate investment trusts (REITs), master limited partnerships (MLPs) and/or closed-end funds (CEFs) may later be characterized as capital gains and/or a return of capital, depending on the character of the dividends reported to the Fund after year-end by the REITs, MLPs and CEFs held by the Fund.

The Fund’s distributions may include net investment income, long-term capital gains, short-term capital gains and/or return of capital. Under the plan, prior to the payment date of the distribution every month, the Fund will issue a press release and a notice containing information about the amount and sources of the distribution and other related information to shareholders of record on the record date. Please note that the notice is not provided for tax reporting purposes but for informational purposes only. Information can also be found on the Fund’s website at cohenandsteers.com.

Shareholders should not use the information provided in preparing their tax returns. Shareholders will receive a Form 1099-DIV for the calendar year indicating how to report Fund distributions for federal income tax purposes.

Investors should consider the investment objectives, risks, charges and expense of the fund carefully before investing. You can obtain the Fund's most recent periodic reports, when available, and other regulatory filings by contacting your financial advisor or visiting cohenandsteers.com. These reports and other filings can be found on the Securities and Exchange Commission's EDGAR Database. You should read these reports and other filings carefully before investing.
