Cohen & Steers Appoints Amit Muni as Chief Financial Officer

NEW YORK, May 21, 2026—Cohen & Steers, Inc. (NYSE: CNS) today announced that Amit Muni has been appointed as Executive Vice President and Chief Financial Officer, effective June 8, 2026. Mr. Muni will lead the firm’s financial operations, financial strategy and investor relations. He will join the firm’s Executive Committee and report to Joseph Harvey, Chief Executive Officer.

Mr. Muni succeeds Michael Donohue, who has been serving as Interim Chief Financial Officer since October 17, 2025. Mr. Donohue will remain Interim Chief Financial Officer until June 8, 2026, after which time he will continue in his role as Controller.

Joseph Harvey, Chief Executive Officer, said:

“Amit brings more than two decades of leadership across public markets, asset and wealth management, and capital markets, with a strong track record of driving strategic growth, executing M&A and financing initiatives, and engaging with the investor community. His experience will be valuable in advancing our strategy as we continue to expand our global real assets platform, grow in the wealth channel, build our private markets capabilities and deliver long-term value for shareholders.

I also want to recognize and thank Mike Donohue for his dedicated leadership as interim CFO, successfully managing and improving the finance department and helping lead Cohen & Steers through a return to organic growth while implementing growth initiatives.”

Mr. Muni joins the firm from CI Financial Corp., where he served as Chief Financial Officer of the \$550+ billion AUM Canadian-based wealth and asset management firm. Prior to joining CI Financial Corp. in 2021, he was Chief Financial Officer at WisdomTree, Inc. Mr. Muni’s experience also includes senior finance and accounting roles at the International Securities Exchange (ISE), Instinet Group, PricewaterhouseCoopers and National Securities Clearing Corporation.
